NOAM	USA and Canada
NPAC	Pacific Islands north of the Equator
SAFR	South Africa
SEAS	South Asia
SOAM	South America
SPAC	Pacific Islands south of the Equator
WPAC	West Pacific

AX25 International Forwarding Country and Continent Codes

Note:

GB7CIP forwards first on the Continent code then the Country Code.

Please ensure both are present if not automatically added to your AX25 Message,
In the event they are not present. The Sysop of GB7CIP will have to manually edit your
message header.

Hope the above information is of use to you

De G4APL Paul
